

TRASH/RECYCLE SERVICE IN HERITAGE HILLS

Trash Toters and Recycle Carts

- New Built Homes are given one large trash toter at closing.
- Existing Homes - All existing homes were given one large green trash toter in the past and that toter should be left with the house when ownership changes.
 - If a trash toter is not left with a house, the new owner/resident must purchase their own trash toter.
- The HOA only has trash toters for newly built homes.
- Recycle Carts are available through the [City of Lone Tree](#).

Trash/Recycle Pickup

In Heritage Hills toters and carts should only be placed out at the curb **after 5pm the day before trash removal** and **stored in a garage by 10pm the day the trash is removed**.

Trash Dates:

Monday: Heritage Hills, except homes on Sunset Hill Circle, Sunset Hill Drive and Sunset Hill Place

Tuesday: Heritage Hills homes on Sunset Hill Circle, Sunset Hill Drive and Sunset Hill Place

Recycle:

Recycling service occurs every other week.

The City of Lone Tree is one of only two Colorado cities that provide residential trash/recycle services, free of charge, to its residents. **For more information about the service, trash toters, recycling carts and the trash and recycling calendar visit the [City of Lone Tree website](#).**
